****Please be advised the below charges apply to all tenancies that have been signed on or after 1st June 2019****

We have produced this guide to inform tenants of our fees relating to a typical tenancy. Please note the charges listed below are the MAXIMUM fees (unless stated otherwise) that will be applied depending on your circumstances and the number of tenants and all fees are inclusive of VAT. We aim to be as transparent as possible when disclosing our services, procedures and fees. Whilst every care is taken, changes such as seasonal promotions do occur so contact our branch directly for an accurate assessment of your rental needs.

Replacement keys	You will be charged all reasonable costs of replacing any locks, keys, remote controls or security devices that have been lost during the term of your tenancy or not returned to the Landlord or the Agent at the termination or earlier ending of the Tenancy.
Cleaning charges	Tenants will be invoiced for any costs incurred for cleaning which is required as a direct result of the tenants negligence to keep the property clean. All early contract terminations carry a one off exit fee of £50.00. Tenant will forfeit deposit if a suitable replacement is not found.
Late rental payments	Interest on late rent payments will be charged at 3% above the Bank of England's base rate from the date the rent falls due, until the date it is paid. This charge will be levied after the tenant is at least 14 days in arrears and will be backdated to when it fell due.
